ARTaFacts™ Magazine is a comfortable tool for teaching art at home or in the classroom. It provides what is really needed for art education: art appreciation, hands-on creativity and the teaching of art vocabulary. Best of all, this introductory information is presented in a fun, easy-to-read format written for elem (grades 4-6) and secondary (jr/sr high) reading levels.

A single copy of one topic comes with one set of lesson plans.

A packet of 30 copies of one topic comes with one set of lesson plans.

Enter quantity desired in either "single" or 'Packet' column of reading level desired.

Single = \$2.00 Packet = \$14.00

Cost = Quantity x Price
